1992 We can, we are, we will: Jays win the World Series

The Jays celebrate their pressure-packed extra-innings win in the sixth and deciding game of the 1992 World Series.

AFTER SIXTEEN YEARS, 2,621 regular and post-season games, three divisional titles and 242 different players, the Toronto Blue Jays reached baseball's pinnacle in 1992, becoming the first Canadian-based team to win a World Series. The Jays became the first team since the 1977-78 New York Yankees to repeat as A.L. East champions and were also the first team since the 1969 New York Mets to win the World Series in their first trip to the fall classic.

From the start of spring training, the Blue Jays focused on three objectives: to defend the A.L. East title, to capture their first American League pennant and to win the World Series. Throughout the season, team members wore t-shirts with the words "We can, We are, We will – 3 for 3 in 1992" to emphasize their dedication to these goals.

Although the 1991 Jays were a talent-rich team with all-stars at three positions, the squad lacked depth in certain areas. Their designated hitters were among the poorest in the American League, finishing near the bottom of the heap in offensive efficiency. General manager Pat Gillick addressed this lack of production by signing Dave Winfield, a former teammate of manager Cito Gaston in San Diego and Major League Baseball's active leader in homers and RBIs.

Despite a strong pitching staff, the Jays still required a solid workhorse who could provide innings on the mound and leadership in the clubhouse. They solved the puzzle by signing Jack Morris, a no-nonsense competitor whose post-season performances in 1984 and 1991 had brought championships to Detroit and Minnesota. Adding Morris to a corps of starters that included rookie sensation Juan Guzman, crafty lefty Jimmy Key, and 15-game winners Todd Stottlemyre and David Wells gave the Jays one of the strongest starting staffs in the A.L. East.

Alfredo Griffin, who previously had played with Toronto and shared A.L. rookie-of-the-year honors in 1979, was signed as infield insurance to backup Manuel Lee and Roberto Alomar.

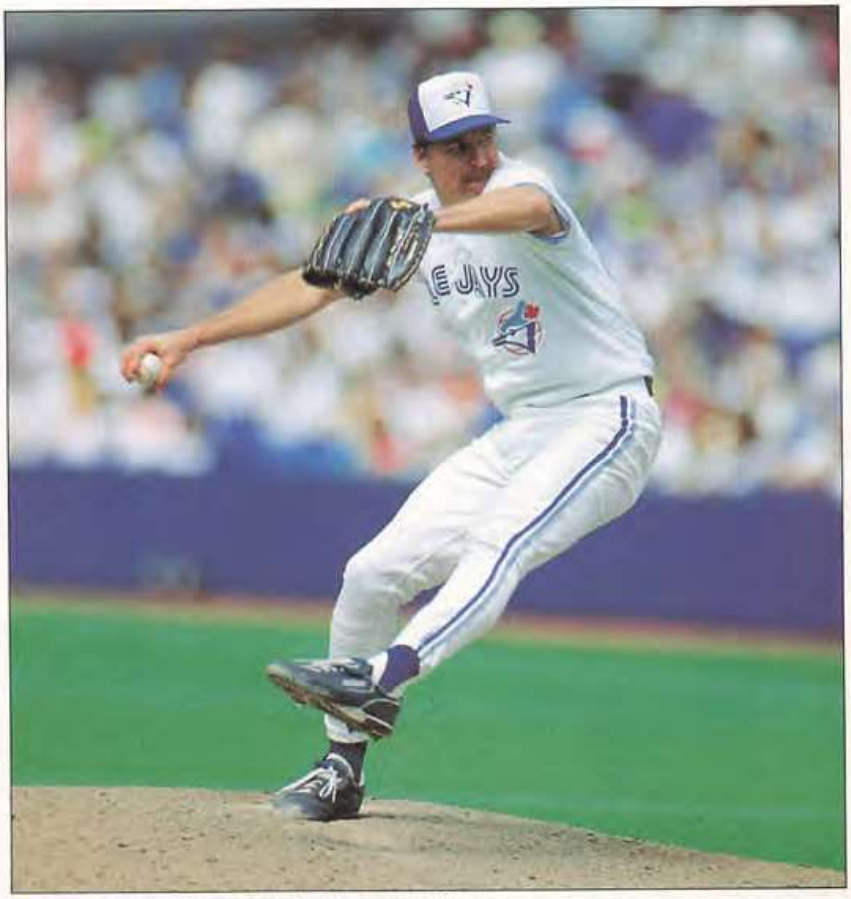
The Jays broke camp nursing nagging injuries. Dave Stieb, Ken Dayley and Mike Timlin all were recovering from off-season surgery, forcing the club to start the season with Ricky Trlicek, Pat Hentgen and David Weathers in the bullpen.

Late-Inning Heroics

The Jays opened strongly, winning their first six games, including a dramatic come-from-behind ninth-inning victory in their home opener. Late-inning heroics were to be the story of the Toronto Blue Jays' season, as the club won 17 games in its last at-bat over the course of the campaign.

The Jays continued to fire on all cylinders throughout the first month of the season and were sporting a 17–9 mark when they headed out on their first West Coast swing of 1992. Early in this nine-game road trip, the team exploded for five ninth-inning runs to erase a 7–3 deficit and defeat the Seattle Mariners. The decisive blow was a grand slam stroked by Dave Winfield, the first for the Jays since September 1990 when Kelly Gruber connected off of Boston's Dennis Lamp.

The Blue Jays continued to roll, winning five straight games in their last at-bat during the month of May. Early season heroes included sophomore fireballer Juan Guzman, who won his first six decisions, rookie reliever Pat Hentgen, who started the campaign with five straight wins and Pat Borders, a deft handler of the pitching staff and a welcome power source with seven home runs by the All-Star break. Manuel Lee, a consistent contributor in the field and at the plate, was a pleasant surprise



Jack Morris became the Jays' first 20-game winner.

as was utility infielder Jeff Kent. A fourth year pro with no major league experience, Kent filled in admirably for the injured Kelly Gruber to become an instant crowd favorite.

As they had done in 1991, the Jays played their best ball of the season as they approached the All-Star break, winning eight consecutive games, including a 10–1 romp over the Angels on July 3 in which they set a new team mark with nine consecutive hits. At the break, the Jays led the A.L. East by four games.

The Stretch Run

Bolstered by Jack Morris's eight consecutive victories and by strong showings from Winfield, Carter and Alomar, Toronto maintained this four-game bulge until the dog days of August, when Juan Guzman was forced to the sidelines by a muscle strain in his back. By the time the Baltimore Orioles came to town for four games in mid-August, only two games separated the teams at the top of the A.L. East standings. The hero of this series was rookie Doug Linton, who shut down the O's in game four on three hits to record his first major-league victory.

However, three mainstays of the staff – Key, Stottlemyre and Wells – were struggling, forcing Pat Gillick to solidify the rotation by trading for one of the finest pitchers in all of baseball. On August 27, the Jays sent Jeff Kent and prospect Ryan Thompson to the New York Mets for N.L. strike-out leader David Cone. Despite five wins by Jack Morris and a club-record 32 RBIs by Dave Winfield, the Jays posted a 14–16 record in August, making it the club's only sub-.500 month in 1992.

With Cone on board and Guzman back from the D.L., the Jays prepared for the pennant chase with a slim 1½-game lead. With both the Brewers and Orioles challenging, the club righted itself and delivered an impressive September performance of 21 wins and nine losses. Despite these outstanding numbers, the

Dave Winfield's .290 batting average, 62 extra-base hits and 82 walks yielded 108 RBIs in 1992.

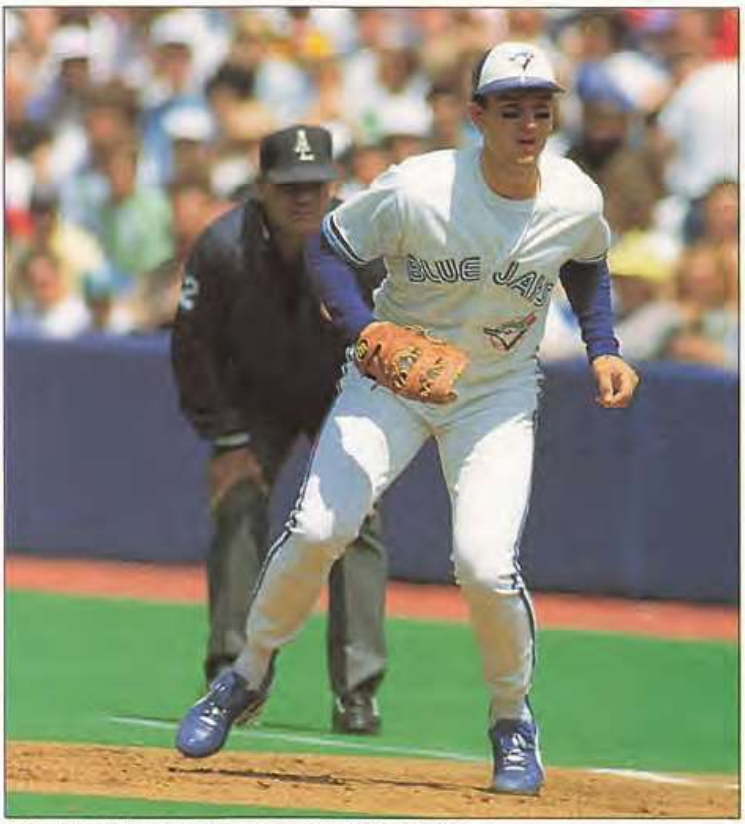
Milwaukee Brewers stayed in the race until the season's final weekend. The stretch drive featured numerous highlights: Jack Morris became the franchise's first 20-game winner in a rain-delayed 12–2 win over the New York Yankees on September 27. Joe Carter hit the 100-RBI mark for the fourth consecutive season and Dave Winfield became the oldest player to drive home 100 RBIs in a season, reaching the milestone when the Jays ousted Baltimore from the race with an 8–2 win on September 24.

On Saturday, October 3, the Jays captured their fourth A.L. East crown with a 3–1 victory over the Detroit Tigers, setting up a rematch for the pennant with the Oakland A's. In total, 4,028,318 fans had watched the Jays at SkyDome, establishing another major-league mark for the franchise. "We can" had become "We did."

The American League Championship Series

The playoffs began on October 7, with Jack Morris facing Oakland's Dave Stewart. Morris, who entered the post-season with a 3–1 record in ALCS competition, was not sharp, surrendering home runs to Mark McGwire, Terry Steinbach and Harold Baines as the A's slipped past the Jays 4–3 in game one. Toronto bounced back in game two behind David Cone's eight-plus innings and Kelly Gruber's two-run homer, tying the series with a 3–1 victory. The series shifted to Oakland where Toronto went up 2–1 in games following a sloppy 7–5 win, in which the teams combined for four errors, three wild pitches, nine walks and 18 stranded runners.

Game four of the ALCS proved to be one of the most important games in franchise history. Jack Morris started, but was ineffective as Oakland built up a 6–1 lead through seven innings. The Jays, who closed the gap with three runs in the eighth frame, entered the ninth inning down by two with baseball's best



John Olerud boosted his average to .284 in 1992, striking out only 61 times in 458 at-bats.

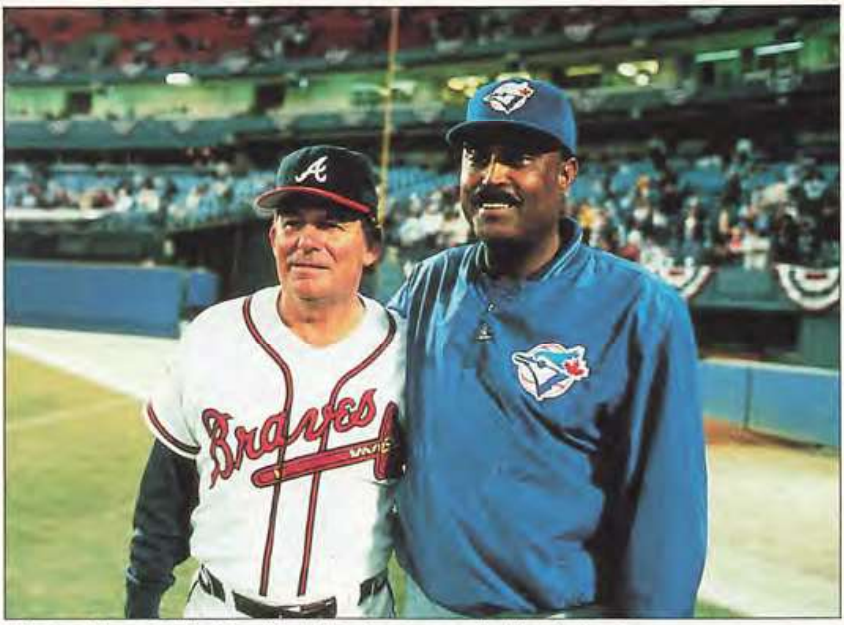
reliever, Dennis Eckersley, on the mound for the A's. Devon White led off the inning with a single, reaching third when Ricky Henderson allowed the ball to roll past him to the warning track. Roberto Alomar followed White's hit by launching a home run to send the game into extra innings. In the top of the 11th, a sacrifice fly by Pat Borders plated Derek Bell to give Toronto the lead. Tom Henke slammed the door in the bottom of the frame to put the Jays one win away from a berth in the World Series.

Party plans were put on hold, however, when Dave Stewart tossed a complete game seven-hitter in Oakland's 6–2 victory in the fifth game, forcing the teams to return to Toronto. Game six belonged to Juan Guzman and Dr. Longball as the Jays exploded for nine runs to secure their first American League pennant, crushing the Athletics 9–2. Joe Carter started the parade with a two-run shot off Mike Moore in the first inning, scoring Devon White who reached after Ricky Henderson dropped his pop fly to shallow left. Candy Maldonado drilled a three-run blast in the third, allowing the Jays to cruise from there. Roberto Alomar, whose dramatic home run in game four was the highlight of the series, was named ALCS MVP in recognition of his .423 batting average, five stolen bases and .692 slugging percentage.

As the fans spilled out of SkyDome to celebrate Canada's first pennant and the champagne flowed in the clubhouse, Jack Morris worked in the bullpen to prepare for his start in game one of the 1992 World Series.

The World Series

Toronto's opponent in baseball's first international World Series was the Atlanta Braves, a team piloted by former Blue



Atlanta skipper Bobby Cox hired Cito Gaston as a batting instructor when Cox was manager of the Jays in 1982.

Jays' manager Bobby Cox. The Series opened on October 17. Facing Morris in game one was Tom Glavine, a 20-game winner for Atlanta.

Joe Carter put the Jays on the board in the fourth inning with a deep blast to left field, but the Braves countered with three runs in the sixth, all the damage coming with two outs. The hero for Atlanta was Damon Berryhill, a backup catcher forced into everyday service when number one pivot Gregg Olson suffered a broken leg. Berryhill clubbed a hanging Morris forkball deep into the Atlanta night to give the Braves a 3–1 lead. Glavine cruised from there, allowing only 30 Jays to come to the plate in a complete game four-hitter.

David Cone started for the Jays in game two, but was gone after 4 1/3 innings, having allowed four runs. However, the Toronto bullpen closed the door on Atlanta, enabling the Blue Jays to battle back. A single run in the eighth on Dave Winfield's first-ever World Series RBI narrowed the deficit to one run. With one out in the Jays' ninth, Derek Bell squeezed a full-count walk out of baseball's all-time save leader, Jeff Reardon, to bring the tying run to the plate. Ed Sprague, who had played a key role in the Jays' 1991 divisional win but had only 47 at-bats in 1992, came off the bench and into the World Series spotlight, pulling Reardon's first pitch into the left field bleachers to give the Jays a 5–4 lead. Sprague's pyrotechnics marked only the second time in World Series history that a game had been decided by a pinch-hit home run in

the last inning. Tom Henke came on to record the final three outs, allowing the Jays to return to Canada and SkyDome on even terms.

Game three would prove to be one of the most exciting post-season encounters of the past decade, thanks to an incredible catch by Devon White that was immediately compared to Willie Mays' over-the-shoulder grab in 1954. With Braves at first and second, Dave Justice drilled a Guzman fastball to the deepest part of the park. White ran the ball down, climbing the padded fence at the 400 foot mark to rob Justice of extra bases. White's amazing catch was made even more dramatic by the series of events that followed. White bounced off the wall and pegged the ball to Alomar who fired to John Olerud at first to double off Terry Pendleton, without realizing that the Braves' runner had already been called out for passing Deion Sanders on the basepath. In the confusion that followed, Olerud relayed to Gruber, who dove forward to tag Sanders,

Kelly Gruber's eighth-inning home run tied game four and set the stage for Candy Maldonado's game-winning RBI in the bottom of the ninth.

completing what would have been the second triple play in Series history if umpire Bob Davidson had not missed Gruber's tag. Despite the chaos, Guzman calmly whiffed Lonnie Smith on three pitches for the final out to keep the match scoreless.

The 'Dome was still buzzing in the bottom of the frame when Joe Carter stepped up and deposited Steve Avery's first pitch into the media section of the left field stands for the first World Series home run hit outside the United States. Guzman gave Toronto eight strong innings, leaving with the score knotted 2–2 thanks to Kelly Gruber's home run in the bottom of the eighth inning. After Duane Ward retired the Braves in the top of the ninth, the Jays loaded the bases with only one out. With Candy Maldonado due up for the Jays, Braves' manager Bobby Cox brought in Reardon, who quickly bent a pair of sliders over the corner of the plate for strikes. However, when Reardon tried to slip a third pitch past him, Maldonado muscled the ball to right center, bringing home Roberto Alomar from third to pull the Jays into a 2–1 lead in the best-of-seven series.

Although the Jays had won the ALCS using just three starters, for the World Series, the team deployed a four-man rotation with Jimmy Key, the most successful lefthander in franchise history, starting game four. Key responded with one of the finest efforts of his nine-year career, using an outstanding change-up to keep the Braves' hitters off balance for the entire evening. Pat Borders, who had at least one hit in every post-season game, gave the Jays a 1–0 lead with his first World Series homer. Devon White plated Kelly Gruber for an insurance run, before Duane Ward and Tom Henke combined to close the door after the Braves countered with a single tally. The Jays stood one win away from their first World Championship.

Once again, celebrations were delayed when the Braves took advantage of a shaky Jack Morris. The key blow was Lonnie

David Cone pitched six solid innings in game six, turning matters over to the Jays' bullpen after surrendering four hits and one run.

Smith's grand slam in the fifth inning that gave Atlanta a 7–2 lead and another life in the best-of-seven series.

Momentum seemed to be on the Braves' side as the teams returned to Atlanta for game six. However, the Jays had not lost two games in succession since the last weekend in August. David Cone, with a full four days rest, took the mound against Steve Avery, who surrendered a run to Toronto in the top of the first. Atlanta evened the score in their half of the third inning when a Terry Pendleton sac fly brought home Deion Sanders.

Candy Maldonado put the Jays ahead in the fourth with a long home run to left center. The score remained 2–1 until the bottom of the ninth. Tom Henke was within one strike of giving the Jays and Canada their first championship when Otis Nixon slipped a single between Lee and Gruber to tie the game. It was the team's first blown save since July 24. Jimmy Key replaced Henke with one down in the tenth and quickly dispatched the Braves, giving the Jays a chance to regain the lead in the top of the 11th. After Key batted for himself and fouled out to first, White was awarded first base after being hit by a pitch from Charlie Leibrandt. Alomar then singled to center to put the winning run at second. Joe Carter popped out to shallow center, bringing Dave Winfield to the plate with two out and fleet runners on first and second.

Though Winfield's leadership and offensive contributions had

Pat Borders' steady play behind the plate and 9-for-20 performance at the plate earned him World Series MVP honors for 1992.

carried the Jays throughout the season, he had been held silent through most of the World Series. After fouling off several tough sliders from Leibrandt, and running the count full, Winfield lined a shot over third base that hugged the line all the way into the left field corner. White and Alomar scored easily to put Toronto up 4–2 and Dave Winfield had his first ever extra-base hit in World Series competition.

Key remained on the hill in the bottom of the inning, but ran into trouble after a single, error and sacrifice once again brought Otis Nixon to the plate with the tying run in scoring position. With two outs, Cito Gaston brought in Mike Timlin, who had just one save in 1992. Nixon, one of the fastest men in baseball, took a strike before bunting to the right side of the infield. Timlin, who had been warned by Joe Carter that Nixon might bunt, pounced on the ball and tossed to Carter at first to give the Jays, and Canada, their first World Series title.

Pat Borders, who had at least one hit in every post-season game and posted a .450 average in the Series, was awarded the World Series MVP Trophy. Two days later, during a celebration in SkyDome to honor the team, Dave Winfield unveiled the banner the city and the team had been waiting 16 years to see: Toronto Blue Jays, 1992 World Series Champs. The Jays had erased all the ghosts of the past, proving to the world that they could, they did and they were World Champions.

Despite losing to the Twins in the ALCS, the season was a successful one for the organization as the Jays became the first team in baseball history to draw 4,000,000 fans.

IN 1990, THE BLUE JAYS were unable to combine pitching, hitting and defense to produce a prolonged winning streak. The club held or shared the lead throughout the final month of the schedule and stayed in the chase until key losses to Boston and Baltimore in the final week ended the team's pennant hopes.

David Wells joined the rotation in 1990, making 25 starts. He pitched a career-high 189 innings and finished at 11–6.

The 1990 season did see several rookie ballplayers make their marks with the club. First baseman John Olerud had 14 HRS and 48 RBIS while Glenallen Hill added 12 HRS in 84 games. Pat Borders was behind the plate when Dave Stieb pitched the first no-hitter in franchise history against Cleveland on September 2. Stieb also pitched the 100th complete game of his career in 1990, shutting out Oakland 1-0 on May 28.

THE JAYS WON THEIR SECOND A.L. East crown in 1989, enduring a slow start and a managerial change before putting together a strong second half.

The club played its SkyDome opener on June 5, recording a 17-10 mark for the month. By the All-Star break, the club was tied for fourth place. In early August, Lee Mazzilli and Mookie Wilson were added.

With a team record 20 wins in August, the Jays pulled into a first-place tie with Baltimore on the last day of the month. Back-to-back wins over the Orioles on the last weekend of the season clinched the A.L. East Division title. George Bell (104 RBIs) and Fred McGriff (36 HRs) powered the offense.

In the ALCS, the Jays lost to the Oakland A's in five games.

THE JAYS WERE PLAGUED by injuries and a slow start in 1988 and trailed the A.L. East leaders by 11½ games in mid-July.

After the All-Star break, the Jays played consistent baseball, posting the Division's best second-half record with 45 wins, 22 of these coming in the stretch drive.

The Jays led the league in home runs (158), triples (47), total bases (2330) and slugging percentage (.419). Fred McGriff's 34 homers led the A.L., as did the pitching staff's 17 shutouts. George Bell stroked 24 homers and added 97 RBIs. Jimmy Key recovered from arm trouble to go 12-5 and Dave Stieb tossed three one-hitters over the course of the campaign. Tom Henke saved 25 games while Duane Ward posted a 9-3 mark in 64 appearances.

Fred McGriff led the club with 34 HRs and 100 runs scored in 1988.

Newcomers Pat Borders (.273) and Rob Ducey (.315) were pleasant surprises. Kelly Gruber (16 home runs) and Tony Fernandez (.287) solidified the infield with excellent defense and made consistent contributions at the plate. The future looked bright.

THE JAYS 10TH SEASON saw both Jesse Barfield and George Bell drive in a club record 108 runs. Barfield hit a Jays' record 40 homers, while Bell hit 31 dingers and 38 doubles. Tony Fernandez led the club with a .310 average. All three were selected to post-season All-Star teams and Barfield and Fernandez became the first members of the Blue Jays to win Gold Glove awards. Rick Leach hit .309, with ten pinch-hits.

All-Star Jesse Barfield hit 40 HRS.

Inconsistency plagued the starting staff. Jim Clancy lost his final seven decisions while Dave Stieb lost his first six decisions to finish at 7–12. Lefthander Jimmy Key, also winless in his first six starts, finished at 11–11. Mark Eichhorn, who won 14 games and set the club record for lowest ERA at 1.72, was selected as rookie relief pitcher of the year by *The Sporting News*. Tom Henke continued as the team's top stopper, finishing with a club record 27 saves.

IN AN ATTEMPT TO IMPROVE their bullpen, the Jays acquired relievers Dennis Lamp and Bryan Clark.

After a streak of 19 one-run victories in the first half of the season, the Jays dropped 25 of 40 one-run games over the rest of the schedule. They finished with 89 wins, finishing in second place behind the Detroit Tigers.

Doyle Alexander's first full season as a Jay saw him lead the staff with 17 wins.

Dave Collins won Player of the Year honors with 41 extra base hits and 60 stolen bases. Lloyd Moseby hit .280 with 18 homers and 39 stolen bases. Rance Mulliniks hit .324, the best mark on the club.

Doyle Alexander had a great year on the mound, going 17-6 with 262 innings pitched and 11 complete games. Stieb had another fine year at 16-8 with an ERA of 2.83. Jim Clancy and Luis Leal each won 13 games.

For the first time in franchise history, more than two million fans made their way to Exhibition Stadium. The Jays were a good team, but a piece or two was still missing from the championship puzzle.

Newly-acquired leftfielder Dave Collins gave the Jays speed on the bases.

THE JAYS BECAME CONTENDERS in 1983. The club's designated hitters – primarily Cliff Johnson and Jorge Orta – hit 34 HRS and 113 RBIS. The Jays' .277 average led the A.L.

Lloyd Moseby, who became the first Jay to score more than 100 runs, hit .315 with 18 home runs, 81 RBIS and 27 stolen bases. Willie Upshaw became the first Jay to record 100 RBIS, hitting 27 homers to share Player of the Year honors with Moseby. Damaso Garcia had another strong year, finishing at .307 with 31 stolen bases. The outfield featured Jesse Barfield, who hit 27 home runs, and newly-acquired Dave Collins, who platooned with Barry Bonnell and George Bell. Bonnell hit .318.

The pitching staff consisted of Stieb (17–12), Clancy (15–11), Leal (13–12), Jim Gott (9–14) and Doyle Alexander (7–6), who had been released by the Yankees in June. The 1983 season marked Toronto's first exposure to pennant fever.

BOBBY COX'S FIRST SEASON as manager saw Willie Upshaw take over at first base after John Mayberry was traded. Upshaw had 75 RBIs and 21 HRs. Damaso Garcia hit .310 and stole 58 bases. Jesse Barfield, who hit 18 HRs and finished second in the league with 15 outfield assists, was selected as the club's Rookie of the Year.

Damaso Garcia earned Labatt's and BBWAA Player of the Year honors in 1982.

Platooning was an important part of Cox's strategy, utilizing Garth Iorg and Rance Mulliniks at third and the tandem of Ernie Whitt and Buck Martinez behind the plate.

Dave Stieb, who led the league in innings pitched and complete games, won a club-record 17 games. Jim Clancy posted a 16-14 record and Luis Leal gave the Jays a reliable third starter with a 12-15 record and 250 innings pitched. Dale Murray was the Jays' relief ace, with eleven saves and eight wins in 111 innings pitched.

Despite a strike-shortened season, Dave Stieb pitched 184 innings in 1981.

IN A SEASON SPLIT IN HALF by a players' strike, the Jays combined the worst start and the strongest finish in the club's five-year history. Dave Stieb became the Jays' first regular starter to win more than he lost, finishing the year at 11–10 with an ERA of 3.19. Righthander Luis Leal was 7–13 with a 3.68 ERA in 130 innings pitched. In the bullpen, Joey McLaughlin recorded 10 saves and a 2.85 ERA and Roy Lee Jackson, acquired from the Mets for Bob Bailor, had seven saves and an ERA of 2.61.

Damaso Garcia had an excellent second half for the Jays, hitting .375 before breaking his wrist in late August. Jesse Barfield and George Bell began to play regularly, joining Lloyd Moseby in the outfield. In his first full season with the Jays, Moseby tied John Mayberry for the club lead with 43 RBIs.

TWO EXPERIENCED HITTERS – Rico Carty and John Mayberry – joined the Jays for 1978. Although each hit 20 home runs and combined to drive in 138 runs, the team was outscored by 185 runs over the course of the campaign.

Rookie centerfielder Rick Bosetti, who had 17 assists, established what would prove to be a Blue Jays tradition of fast, young outfielders. Roy Howell had 10 homers and 61 RBIs.

Sophomore Jim Clancy won ten games while Victor Cruz topped all Toronto relievers with nine saves and an ERA of 1.71. Tom Underwood got the win in the highest-scoring game in Jays history, a 24–10 win over Baltimore on June 26.

Victor Cruz had nine saves, seven wins and an era of 1.71.

In the June free-agent draft, the Jays selected outfielder Lloyd Moseby. Down in "A" ball, 18-year-old Jesse Barfield hit just .206, and Dave Stieb, was switched from the outfield to the mound.

SKYDOME

Toronto's superb new stadium with a retractable roof became the official home park of the Blue Jays on Monday, June 5, 1989.

In moving to SkyDome, the Jays find themselves playing in the world's most advanced and luxurious ballpark. From bottom to top, everything from the artificial turf to the seating, video scoreboard, and roof employs the finest and newest technology available. Located to the west and south of the CN Tower and north of the Esplanade between John and Peter Streets, the very scale of the project is astonishing. When closed, the retractable roof covers an area of eight acres and rises to an inside height equivalent to that of a 31-storey building — almost twice as high as Minnesota's Metrodome.

From its conception, SkyDome took an innovative approach to financing, construction and design. The stadium is owned by Stadium Corporation of Ontario Ltd., a partnership that incorporates both government and private investors. The Province of Ontario and the Municipality of Metropolitan Toronto contributed $30 million each. Joining these two levels of government are 30 Canadian corporations — including the Toronto Blue Jays Baseball Club — each of which has contributed $5 million in exchange for preferred-supplier status and a SkyBox. Canada's three major breweries have also joined the partnership with $5 million contributions. This blending of public- and private-sector investment stands as a unique model in the financing of a showpiece project. The final cost of SkyDome construction is more than $500 million.

Architects Rod Robbie and Michael Allen designed SkyDome and have patented its retractable-roof system. Site preparation began in April of 1986, with groundbreaking taking place in October of that same year. The last exterior concrete was poured in November of 1988 and the first test of the moveable roof panels took place in January of 1989. More than 10,000 person-years of employment were created by the construction of the new stadium.

- On disabled list June 13-June 21; July 2-July 12, 1990.

ROLAIDS RELIEF MAN AWARD

The Rolaids Relief Man Award relies upon a unique scoring system:

- Three points for each save
- Two points for each win
- Two points deducted for each loss
- Two points deducted for each "blown save"

In the rare instance when a relief pitcher enters a game with a lead that is greater than what is allowed to qualify for a save—Scoring Rule 10.20 (3b)—and gives up the lead he will be assessed a two-point penalty (as he would have had he blown a save opportunity). He will not be charged with a "blown save" since the opportunity for a save did not exist.

In case of ties (for the monthly or annual awards), the relief pitcher with the better percentage of successful "save conversions" (saves divided by save opportunities) will be the winner. If a race is still tied, the pitcher with the lowest earned run average for relief appearances will be the winner.

"BLOWN SAVE" DEFINITION When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save". (If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.)

RAWLINGS GOLD GLOVE AWARD

JESSE BARFIELD (OF) and TONY FERNANDEZ (SS) in 1986 became the first Blue Jays in the club's history to win Gold Gloves. Both BARFIELD (OF) and FERNANDEZ (SS) were repeat winners in 1987. Fernandez went on to capture honours in 1988, and 1989. KELLY GRUBER (3B) captured his first Gold Glove in 1990. In 1991 ROBERTO ALOMAR (2B) and DEVON WHITE (OF) won Gold Gloves. 1992 saw Alomar (2B) and White (OF) repeat.

The famous Rawlings Gold Glove Award, symbolic of fielding excellence, was first introduced by Rawlings in 1957. One major league team was selected the first year and included players like Gil Hodges, Nelson Fox, Roy McMillan and Frank Malzone in the infield, Willie Mays, Al Kaline and Minnie Minoso in the outfield, Bobby Shantz on the mound and Sherm Lollar behind the plate.

Since 1958, the Rawlings Gold Glove Award© has been presented annually to the eighteen players, nine in each league, by position. These outstanding players are judged and selected as the best fielding players at their respective position by the major league coaches and managers prior to the conclusion of the regular baseball season. Managers and coaches may not select players from their own club and only vote for players in their own league. Votes are tabulated for Rawlings by The Sporting News.

NAME THE TEAM CONTEST

The Blue Jays were named in a contest conducted in June and July of 1976. Over 30,000 individual entries were received, suggesting over 4,000names for the new American League club. From the list of names submitted, specially-appointed panels of judges selected ten names to submit to the Board of Directors. The Directors chose the name "Blue Jays" from that list and announced their decision on August 12th, at which time the team officially became the Toronto Blue Jays Baseball Club.

A total of 154 people submitted the name Blue Jays, and a drawing was held to select a grand prize winner from those who submitted the name. Dr. William Mills of Etobicoke, Ontario, won a pair of season tickets for 1977 and an all-expenses paid trip for himself and his family to watch the Blue Jays at spring training in Dunedin, Florida. Nine runners-up also won season tickets.

BLUE JAYS LOGO

The Blue Jays logo was created by the Toronto design firm of Savage Sloan, Ltd. It depicts a stylized Blue Jay on a red baseball outline incorporating a red maple leaf. The logo features two shades of blue, and red. It was selected to represent three facets of the club's identity: the team name, baseball, and the fact that the team is Canadian.

1992 SEASON IN REVIEW — TORONTO BLUE JAYS

WINS AND LOSSES: The 1992 Blue Jays produced an overall record of 96-66, for a .593 winning percentage, 4.0 games ahead of the second place Milwaukee Brewers and 7.0 games ahead of the third place Orioles...The 96-66 record was the tied for the second best in club history-(99-62/.615 in 1985 & 96-66/.593 in 1987)...The year marked the fourth time since 1977 that the Blue Jays have won the American League East (1985, 1989, 1991)...Toronto began their 16th season in the American League with a 4-2 win at Detroit before an Opening Day crowd of 51,068 fans at historic Tiger Stadium...The win was the first of six consecutive for the Blue Jays as they swept both the Tigers (3-games) and Orioles (3-0) en route to posting a 6-0 record before losing 5-2 to the Yankees on April 13...The win streak yielded only a half game lead over Orioles but Toronto remained a half game back of the Yankees...Toronto completed the first month of the season with a 2.0 game lead with a 16-7 record...The Blue Jays opened July with 8 consecutive wins until the streak ended on July 10th with a 5-1 loss to Oakland...During the streak, Toronto set a club record for consecutive hits as they registered 9 in the 3rd inning vs the Angels on July 3 at SkyDome...The record would fall two months later when in the 2nd inning, the Blue Jays collected 10 consecutive hits vs the Twins and in the process, tied an AL record...Toronto fashioned a pair of back-to-back shutouts in September with the first being at Kansas City on Sept. 8 & 9 and following that up with the second pair vs the Rangers in Toronto on Sept. 18 & 19...Prior to the 8th & 9th, the club's previous back-to-back shutouts came vs the Indians in 1991; June 12 & 13...The squad held sole posession of the first place from June 20 until the final game of the regular season...At no point during the schedule did the team ever drop farther than .5 games behind the first place spot...Toronto's largest lead of the season came on July 16 & 23, September 13 & 19 when they were 5.0 games up...The Blue Jays registered a 53-28 record at SkyDome for their 11th successive winning season at home...Club also extended their +.500 road record for an eighth consecutive year going 43-38...Toronto's victory at Kansas City on September 9th marked the 10th successive season that the franchise has played .500 or better baseball- the longest streak in Major League Baseball...The most games above .500 for Toronto in '92 was 30 on the last day of the regular season- an improvement of 10 games over their 1991 club mark of 20 games...The crew never dropped below the .500 mark once...The team tied for the premier home record among their AL foes with the Milwaukee Brewers...Versus their own division, Toronto went on to record a 45-33 count, 25-14 at SkyDome and 20-19 on the road...New York was Toronto's favourite adversary during '92 as Toronto amassed an 11-2 record against the Yankee pinstripes- their best ever mark vs a New York club...The squad sported a 51-33 tally when pitted against the West Division- 28-14 at home and 23-19 away from SkyDome...Toronto posted a .500 or better mark vs all of the West Division teams...Texas posed the fewest problems for the Blue Jays in the West Division as they took 9 of 12 contests...As has been the custom since 1987, the Blue Jays' banner month was Sept./Oct. as they played to a 21-9 record and are now 115-64 since '87 in that month...Since divisional play began in 1969, the last AL East club to win back to back division titles was the New York Yankees (1980 & 1981).

HITTING FOR THE CYCLE

Third baseman Kelly Gruber is the only Blue Jays' player to hit for the cycle...-Gruber collected four hits and a career high six RBI, April 16th, 1989 at Exhibition Stadium vs the Kansas City Royals...Gruber homered in the first inning vs Floyd Bannister; a two-run double—the second inning, also against Bannister; a two-run triple vs Tom Gordon—the 7th inning; and, an RBI single—the 9th inning vs Jerry Don Gleaton...Only three opponents have hit for the cycle vs the Blue Jays...They are: Mike Cubbage, Minnesota Twins, July 27, 1978 (Metropolitan Stadium); Rich Gedman, Boston Red Sox, September 18, 1985 (Fenway Park) and George Brett, Kansas City Royals, July 25, 1990 (SkyDome).

STIEB'S NO-HITTER

SEPTEMBER 2, 1990 at CLEVELAND — TORONTO 3, CLEVELAND 0

DAVE STIEB chalked up his first no-hitter and the first in BLUE JAYS history as he stopped the Cleveland Indians on a sunny Sunday afternoon at Cleveland Stadium before a crowd of 23, 640.

The game ended as Cleveland's Jerry Browne whacked a fly to right field where JUNIOR FELIX put the squeeze on it.

Stieb had a season high nine strikeouts and walked four over his 122-pitch afternoon.

There were no tough plays and only a couple of well hit balls. Closest the Tribe came to a hit was KEN PHELPS pulling a liner about three feet foul to open the eighth inning.

The BLUE JAYS and STIEB got their offensive support from FRED McGRIFF who hit two solo home runs and from MANNY LEE who doubled home KENNY WILLIAMS in the fifth inning.

Stieb had previously gone 8.2 innings, three times, protecting no-hitters. He had back-to-back attempts in September 1988; on September 24, 1988 at Cleveland Stadium, JULIO FRANCO's had a bad hop single over second baseman MANNY LEE's head. In his next start, against Baltimore at Exhibition Stadium, JIM TRABER looped a single over first baseman FRED McGRIFF's outstretch glove hand. Both no-hit bids were lost on 2-2 pitches. STIEB also had a perfect game for 8.2 innings on August 4, 1989 vs the Yankees at SkyDome. ROBERTO KELLY doubled to left to break it up.

MINOR LEAGUE PLAYER OF THE YEAR

1992 marked the second consecutive season that a member of the Toronto Blue Jays organization was named the minor league player of the year. In 1992 USA Today Baseball Weekly and Classic Best bestowed the honour upon Dunedin Blue Jays catcher, Carlos Delgado. Delgado led the Florida State League (A) with 30 homeruns, 100 RBI's, 157 hits, 62 extra base hits while batting .324 for the season. In 1991 outfielder Derek Bell was named Baseball Americas player of the year while with the Syracuse Chiefs of the Innternational League (AAA) (.346/13 hr/93 RBI).

HOTTEST TEAM IN HISTORY

Toronto East, one of two Blue Jays entries in the Dominican Summer League, posted the best record in professional baseball history, winning their first 37 games and finishing with an outstanding record of 68-2. The 37 straight wins broke the professional Baseball record of 27, set in 1987 by the Pioneer League's Salt Lake City Trappers.

SOUTH ATLANTIC LEAGUE CHAMPIONS

The 1992 Myrtle Beach Hurricanes began the year 5-22 but then went on to capture the 1992 South Atlantic League Championship under the guidance of manager Doug Ault. The Hurricanes went undefeated in the post season in their last season in Myrtle Beach before moving on to Hagerstown for the 1993 season.

1992 TORONTO BLUE JAYS -ATTENDANCE

TORONTO broke the **4 MILLION** barrier for the second time in as many years with a crowd of 50,421 on October 4 surpassing their own 1991 record for Home Attendance with 4,028,318 fans coming to see the Blue Jays perform at SkyDome. In 1991 the Blue Jays attracted 4,001,526 fans to SkyDome to witness 81 games in 81 home dates. Toronto is the only team in the history of Major League Baseball to break the 4 MILLION mark. Overall in '92 the club had 68 sellouts (81 home dates). September 15, Toronto ended a 45 game consecutive sellout streak as the paid attendance was 49,487 vs Cleveland. The largest SkyDome crowd of '92 was also the largest crowd ever to witness a regular season home game as **50,424** tickets were sold for the Home Opener vs the Orioles April 10. Toronto also broke the Major League record for **total attendance** (previously held by Toronto) with 6,329,402 fans coming to see 161 Toronto games. Over the course of the season, SkyDome averaged 99% capacity for Blue Jays games leaving approximately 35,000 unsold seats on the year. Blue Jays broke their franchise record for Road Attendance as they completed the 1992 Road Schedule with a total attendance of 2,301,084 surpassing their previous best of 2,243,335 set in 1991...En route to the 4 MILLION mark, the Blue Jays also set three other attendance marks: With a crowd of 50,408 August 28th, the Blue Jays surpassed the **3 MILLION** mark in HOME ATTENDANCE with their 61st home date. The 61 dates is the fewest dates ever to reach the 3 MILLION mark, eclipsing the previous record of 62 dates set by the Blue Jays in 1991. With a crowd of 50,418 July 4th, the Blue Jays broke the **2 MILLION** barrier in home attendance on the 41st home date...The 41 dates is a new Major League attendance mark for the fewest dates to reach 2,000,000 fans...The previous record was set in 1991 by the Blue Jays- 42 home dates. May 17, a crowd of 50,364 entered SkyDome as the Blue Jays set a Major League attendance record for the fewest home dates to reach **1 MILLION** fans. It took just 21 home dates for the club to break the million mark and thus surpassing the previous record of 22 home dates held jointly by the L.A. Dodgers (1981) and the Blue Jays (1991). Since arriving at SkyDome on June 5, 1989, Toronto has attracted **14,542,550** fans to see regular season Blue Jays games and have soldout 250 out of a possible 297 dates.

BLUE JAYS IN POST-SEASON

AMERICAN LEAGUE CHAMPIONSHIP SERIES 1985

As the Blue Jays entered post season play for the first time, they would face the Kansas City Royals in the first ever best-of-seven American League Championship Series. The Blue Jays, who finished nine games ahead of the Royals in the loss column, were the favourites and would enjoy the extra home game.

In Game 1 Dave Stieb lived up to superstar billing, shutting out the Royals on three hits through eight innings with no base runner advancing past second base. The Blue Jays struck quickly with two runs in the second, three in the third and one in the fourth. The Blue Jays offense was sparked by 2 RBI performances by Ernie Whitt and Tony Fernandez.

Game 2 was a much more even affair with the Blue Jays eeking out a 6-5, 10-inning win. The Royals jumped into a quick 3-0 lead after $3^1/_2$ innings primarily on the strength of a 2 run HR by Willie Wilson in the 3rd inning. The Blue Jays rallied and took the lead on a George Bell sacrifice fly in the 8th. The Royals rallied, however in the 9th a on pinch hit HR by Pat Sheridan with the go ahead run being delivered in the 10th on a Frank White single. The Blue Jays won it in the bottom of the 10th on a two-out 2 run single by Al Oliver. On to Kansas City, the Blue Jays were up 2-games to none.

In Game 3, George Brett put on a baseball clinic going 4-4, 2 HR's, 3 RBI with 4 runs scored enroute to a 6-5 Royals win. Leading 5-2 after $4^1/_2$ innings the Blue Jays squandered the lead for good in the 8th when Brett led off the inning with a single and eventually scored.

Game 4, the Blue Jays came within one win of a World Series berth with a 3-1 come-from-behind victory. The Blue Jays won the game dramatically with 3 runs in the top of the ninth inning, the big blow being a 2 run pinch hit double by Al Oliver.

In Game 5, LHP Danny Jackson went the distance checking Toronto on 8 hits and scoring a run in each of the first two innings. Blue Jays still led the series 3-games to 2.

The Blue Jays and Royals returned to Exhibition Stadium for Game 6. Entering the 5th inning tied at 2-2 George Brett once again delivered the decisive blow with a solo HR. And, with 3.2 shutout innings of relief from Buddy Black and Dan Quisenberry, the Royals pulled even in the series for the first time at three-games apiece.

October 16th – Game 7 – Dave Stieb, the ace of the Toronto staff vs eventual Cy Young Award winner Bret Saberhagen. The Royals came out on top 6-2 shellacking Dave Stieb for six runs in 5.2 innings. The big blow being a wind-assisted bases clearing triple by Jim Sundberg to cap a four run 6th inning.

The Kansas City Royals became only the 5th club in major league history to trail a series 3-games to one and comeback to win the series. The Blue Jays? They slumped immediately after scoring five runs in the 5th inning of Game 3 scoring only eight runs in the last 40 innings.

AMERICAN LEAGUE CHAMPIONSHIP SERIES 1991

In 1991, the Toronto Blue Jays won the American League East for the third time in the history of the organization...The Blue Jays faced the Western Division Champion Minnesota Twins in a series that would decide the American League Champion...The Minnesota Twins emerged victorious as they won the best of seven games series by a 4 games to 1 count...Below is a summary of the series.

Game #1: Toronto starter Tom Candiotti lasted just 2.2 innings and allowed five earned runs before being lifted in favour of David Wells...The Twins would not need to score another run...The Blue Jays rallied for a run in the fourth and three runs in the sixth on five consecutive hits off Twins starter Jack Morris...Those four runs would be all Toronto could muster as they lost 5-4 at the Metrodome.

Game #2:Toronto took an early lead as they jumped on Twins starter Kevin Tapani, scoring three times in the first three innings...Rookie Toronto starter Juan Guzman lasted 5.2 innings allowing four hits and just two earned runs before the ball was handed to the bullpen...Tom Henke and Duane Ward combined for 2.1 innings of shutout relief and six strikeouts...Devon White scored three of the five Toronto runs as the Blue Jays won their only 1991 ALCS game 5-2 in Minneapolis.

Game #3:Joe Carter's first inning home run and a Candy Maldonado double put the Blue Jays ahead 2-0 until the sixth inning when the Twins were able to put their second run across the plate and tie the game at two apiece...Toronto starter Jimmy Key scattered five hits over six innings and allowed two earned runs...The game went into extra-innings and ended in dramatic fashion as Mike Pagliarulo, pinch hitting for Scott Leius, homered to right off of Blue Jays reliever Mike Timlin...Toronto was retired 1-2-3 in their half of the tenth as the Twins defeated Toronto 3-2 at SkyDome.

Game #4: Blue Jays starter Todd Stottlemyre allowed seven hits in 3.2 innings before exiting with Toronto trailing 4-1...The Twins' Kirby Puckett hit his first home run of the series and Dan Gladden collected three RBI on three hits to pace Minnesota to a 9-3 win at SkyDome...It was Jack Morris' second win of the ALCS as he pitched eight innings allowing just two runs.

Game #5: Kirby Puckett displayed his power once again as he homered in the first inning off Tom Candiotti to put the Twins ahead 1-0...Toronto put together three runs in the third and a pair in the fourth to go ahead 5-2...Minnesota was able to post three runs in their half of the sixth inning and tie the game at five...Duane Ward was handed the loss for Toronto as he allowed three runs in the eighth...Toronto was shutdown by five shutout innings of relief...Devon White, Roberto Alomar and Manuel Lee each collected a pair of hits in the losing effort as Minnesota took the American League crown with an 8-5 win.

AMERICAN LEAGUE CHAMPIONSHIP SERIES 1992

Game #1: Home runs were the story of the game as Oakland used three of them to beat the Blue Jays 4-3...The A's scored three runs in the second inning off Toronto starter Jack Morris on back-to-back homers by Mark McGwire and Terry Steinbach...The 3-0 lead stood until Pat Borders homered off Dave Stewart in the Blue Jays' fifth followed by a Dave Winfield homer in the sixth making the score 3-2...John Olerud tied the score at 3 in the bottom of the eighth with a two out single off reliever Jeff Russell scoring Winfield who had doubled in the previous at-bat...Harold Baines broke the tie with a solo shot to lead off the ninth and Dennis Eckersley shut down the Blue Jays in the home half of the ninth to seal the 4-3 Oakland victory.

Game #2: The Blue Jays were able to rebound from a Game #1 loss as David Cone held the A's to just one run over 8.0 innings en route to a 3-1 win...Cone, the Major League's strikeout leader in 1992, fanned six as he collected his second career Post-Season victory...Mike Moore lasted seven innings in the losing effort for Oakland...Kelly Gruber doubled and hit a 2-run homer in the fifth which would prove to be the winning runs...Closer, Tom Henke came on for the save in the ninth- his first ever post-season save.

Game #3: For the first time since 1985 vs Kansas City, the Blue Jays put together a pair of wins in the post-season as they got past the A's 7-5...Toronto starter Juan Guzman, notched his second career LCS win in as many starts (1991 vs Twins) lasting six innings before being lifted in favour of Duane Ward...Tom Henke earned his second save in as many games...Despite being out-hit 13-9 by the A's, 4 of Toronto's hits went for extra-bases including homers from Alomar (solo) and Maldonado (solo)...The A's collected just 1 extra-base hit.

Game #4: In what appeared at first to be a certain Oakland victory, the Toronto Blue Jays fought back to erase a five run deficit late in the game sending the game into extra-innings...Oakland batted around earning five runs in the third inning as they jumped on Toronto starter Jack Morris...The A's added another run in the sixth making the score 6-1...Toronto began their comeback in the top of the eighth as they strung together five consecutive hits...By the end of the inning, the score was 6-4...The A's were held off the board in the bottom of the eighth but in the top of the ninth, Devon White started off the inning with a single that was misplayed allowing White to get to third base...Roberto Alomar then homered off Dennis Eckersley to tie the game at 6-6...Toronto eventually won the game in the eleventh as they scored a run off Kelly Downs to win 7-6.

Game #5: Oakland starter, Dave Stewart held the Blue Jays in check for nine innings scattering seven hits, allowing just 2 runs as Oakland sent the series back to SkyDome...The complete game win was Stewart's first win of the 1992 post-season...The 6-2 loss for the Blue Jays ended their three game win streak...David Cone took the loss for Toronto...He lasted just 4.0 innings before Jimmy Key made his first appearance of the 1992 playoffs...Ruben Sierra homered and drove in 3 runs for the A's...Devon White notched 3 hits on the day including a double in the losing effort.

Game #6: Toronto scored a pair of runs in the first on a Joe Carter homer off A's starter Mike Moore...The Blue Jays then added four more runs in the third including a Candy Maldonado 3-run homer to put Toronto ahead 6-0...Blue Jays' starter Juan Guzman went seven innings allowing just five hits and striking out eight before the ball was handed to Duane Ward in the eighth with the score Toronto seven, Oakland 1...The A's managed a run in the top of the eighth but the home town Blue Jays secured the win as Tom Henke tossed a perfect ninth sending Toronto to its first ever World Series with a 9-2 win over Oakland.

WORLD SERIES 1992

GAME #1: In the first game of the 89th World Series, the Blue Jays suffered a 3-1 loss to the Atlanta Braves...Home runs were the story of the game as Toronto took an early 1-0 lead in the fourth on a Joe Carter solo homer off starter Tom Glavine...It would be the only run Toronto would score...Jack Morris continued his shutout innings streak vs the Braves extending it to 18.0 innings until a 3-run homer by catcher Damon Berryhill in the sixth inning ended the streak...Glavine went the distance for the Braves becoming the first pitcher to toss a complete game in a World Series opener since Jack Morris accomplished the feat in 1984 vs San Diego.

GAME #2: Reserve catcher Ed Sprague proved to be the hero for the Blue Jays on this night at Fulton County Stadium...David Cone lasted just 4.1 innings allowing 4 runs over that span before exiting in favour of David Wells...Cone also contributed at the plate with a pair of hits and an RBI...His two hits marked the first two hit game by an AL pitcher in the World Series since Mickey Lolitch went 2-4 on October 3, 1968...Heading into the eighth inning, the Blue Jays trailed 4-2...After a run in the top of the eighth Toronto entered the ninth inning trailing by 1...After a Pat Borders fly out, rookie Derek Bell (pinch hitting for Lee) walked...Ed Sprague then pinch hitting for the pitcher Duane Ward knocked a first pitch offering from Jeff Reardon over the left field fence to put the Blue Jays ahead 5-4...Tom Henke was able to retire the Braves in the bottom of the ninth for the save.

GAME #3: The game marked the first time the World Series had been played outside of the United States as the series moved to SkyDome...In another pitching duel, Steve Avery and Juan Guzman both went 8.0 innings...Atlanta was kept off the board in the fourth with a splendid defensive effort by Devon White...White ran down a deep drive off the bat of Dave Justice that sent Devon into the wall to make the catch...White returned the ball to the infield where Pendleton was doubled-up off first...The Blue Jays drew first blood in the fourth inning as Joe Carter connected for his second homer of the series, a solo shot putting Toronto ahead 1-0...In the sixth inning, the Braves rallied to tie things at 1-1...Each team traded runs in the eighth keeping the game knotted at 2-2...The Braves attempted a rally as Duane Ward came on to pitch the ninth...But after a key double play and a strikeout the inning was over...In the home half of the ninth, Roberto Alomar started the inning off with a leadoff single...After stealing second and a Dave Winfield sacrifice, Alomar stood at third with one out...Jeff Reardon came in to try to halt the Blue Jays' advance but Candy Maldonado with the bases loaded, hit a 2-strike pitch to right centre for a base hit allowing Alomar to score the winning run.

GAME #4: In what was the third consecutive 1-run game of the 1992 World Series, the Blue Jays posted a 2-1 win behind a strong pitching effort from starter Jimmy Key...Key went 7.2 innings allowing just 5 hits and 1 earned run while striking out six Braves batters...Toronto earned their first run in the third inning as catcher Pat Borders continued on his post season hit streak with a solo homer to left...Toronto made the score 2-0 in the seventh when Devon White drove in Kelly Gruber from second base...Atlanta managed to score a run in their half of the eighth as Ron Gant led off with a double and eventually scored on a Mark Lemke groundout...Tom Henke came in to pitch the ninth for Toronto and tacked up a 1-2-3 inning for his second save of the series.

GAME #5: The game began in similar fashion as the previous four...Entering the fifth inning, the game was tied a 2-2...The Braves had collected a run in the first and fourth inning while the Blue Jays captured runs in the second and fourth...The fifth inning proved to be Atlanta's inning as they crossed the plate five times to seal the victory and send the series back to Atlanta for at least one more game...The fifth inning began for the Braves with 2 consecutive routine outs...An Otis Nixon single started the ball rolling and the Braves eventually loaded the bases on Toronto starter Jack Morris...Lonnie Smith stepped up to the plate and sent Morris' 1-2 offering over the right field wall for a grand slam making the score 7-2...The score remained the same over the final four innings making a winner out of John Smoltz.

GAME #6: The Toronto Blue Jays make history as they capture their first ever World Series and bring the Commissioner's Trophy outside of the United States for the first time...The 11-inning game began with the Blue Jays scoring in their first inning of the game...Devon White led off the game with a single off starter Steve Avery...After a stolen base and a ground out by Alomar, White stood on third...Carter then drove in White with a sacrifice fly...Atlanta answered the call in their half of the third as Deon Sanders scored his fourth run of the series...Toronto returned the favour immediately as they regained the lead with a run in the top of the fourth on a Maldonado lead off homer...The score remained that way until the bottom of the ninth when Atlanta shortstop Jeff Blauser tied the game sending into extra-innings...The tenth inning proved to be uneventful. In the eleventh, the Blue Jays led off with Jimmy Key popping out for out number 1...Devon White was hit by a Charlie Leibrandt offering...Alomar then singled to centre allowing White to move up to second...With two out, Dave Winfield stepped up to the plate and doubled down the left-field line allowing White and Alomar to score making it 4-2 Toronto...In the Braves eleventh, Atlanta was able to score once with Jimmy Key on the mound...Mike Timlin then came in to pitch for the Blue Jays with pinch runner Smoltz on third and two out...Otis Nixon attempted a drag bunt up the first base line, that was fielded by Timlin who threw to Carter at first in time for the final out.

FIRST TRIP LUCKY

AWARDS

LABATT'S 'BLUE' PLAYER OF THE MONTH

Voting is conducted after each Blue Jays game, home and away, by a panel of accredited media personalities to select the outstanding Blue Jays player. The player with the greatest point total at the end of the season receives the Labatt's 'Blue' Most Valuable Player Award, along with $1000 and a cheque in a matching amount donated to the player's favourite charity. Monthly winners receive $500 and a matching amount to their favourite charity along with the Labatt's 'Blue' Player of the Month Trophy. In 1983 the award was split into separate 'Player' & 'Pitcher' awards.

CANADIAN BASEBALL HALL OF FAME

THE CANADIAN BASEBALL HALL OF FAME was inaugurated in 1983 to honour those who have made a major contribution to Canadian baseball.

The Blue Jays organization have great pride in three of their own who have been inducted into Canada's Baseball Hall of Fame.

DR. RON TAYLOR, inducted in 1985 was a right-handed relief pitcher with five major league teams from 1962 to 1972.

Taylor, who helps in the game today as team physician for the Blue Jays, appeared in two World Series working seven innings without allowing a run.

In 1964, Taylor led the World Champion St. Louis Cardinals in appearances with 63 and saved game four of the World Series vs the Yankees with four innings of shutout ball.

In 1969, as a member of the New York Mets, Taylor led the club in saves (13) and appearances (59) and picked up a World Series save against the Baltimore Orioles.

Taylor started his career in 1962 with Cleveland and also pitched for Houston and San Diego.

He pitched 799 innings in 491 games for a record of 45 wins, 43 losses, 72 saves and a 3.93 ERA.

BOBBY PRENTICE, inducted in 1986, is one of Canada's most successful scouts.

Prentice, who joined the Blue Jays as Director of Canadian Scouting on Nov. 1, 1976 had previously been associated with the Detroit Tigers as a scout.

During his 10 full-time and seven part-time seasons as a scout for the Tigers, Prentice was responsible for signing of such Canadians as John Hiller, George Korince and Mike Kilkenny—three Canadians who pitched in the Tiger organization through the 1960s.

Prentice was also instrumental in the Tigers drafting of Dave Lemanczyk, who was playing for Guelph of the Inter-County League in Ontario. Lemanczyk went on to a major league career which included a stop with the Blue Jays.

He played in the Cleveland Indian organization for ten years between 1948 and 1957. As a power hitting infielder, Prentice led his club in home runs four times and led the Three I (Class B) League in RBI in 1950.

As a member of the American Association pennant-winning Indianapolis team in 1954, he was a teammate of such Indian greats as Herb Score and Rocky Colavito.

His greatest involvement in Canadian baseball comes as an inspiration to seek continued improvement for amateur baseball. He is directly involved in projects such as the National Baseball Institute, Blue Jays Festival Game, Blue Jays Youth All-Star Tournament and co-ordination of clinics for coaches and players across Canada.

REGGIE CLEVELAND, 43 from Swift Current, Saskatchewan, played twelve seasons in the Major Leagues. He was inducted into the Canadian Baseball Hall of Fame in 1986. During his career he played with St. Louis, Boston, Texas and Milwaukee. CLEVELAND holds the distinction of being the only Canadian pitcher ever to start a World Series game. His lifetime record is 103 wins and 103 losses, with an ERA of 3.97 in 1,744 innings pitched. He was hired as a minor league pitching coach in November, 1990.

BLUE JAYS' MAJOR LEAGUE DRAFT SELECTIONS

The Major League Draft is held annually during the winter meetings. Players on a minor league roster with three years of pro ball may be drafted for $50,000. Prior to 1985 the draft price was $25,000.

The drafted player must remain with his new club for the full season or be offered back to his original club for $25,000. The drafting is in reverse order of previous seasons records and alternating between leagues.

Following this major league draft, a separate selection is held by National Association clubs from class AAA to A levels. A "AAA" selection price is $12,000. A "AA" selection is $4,000.

FREE AGENCY

Free agency came about in 1976 when 244 players refused to sign contracts and opted for, at season's end, the right to participate in a re-entry draft.
That draft took place in New York on November 4. Clubs were permitted to select players with whom they could negotiate. There was no compensationn for clubs who lost players in this draft.

In later years, the draft was abolished and compensation was required.
Other than signing their own players who had opted for free agency and free agent players signed after being released, the Blue Jays' involvement in the free agent market has been:

Signed for:

1977	Luis Gomez	from ATLANTA BRAVES
1984	Dennis Lamp	from CHICAGO WHITE SOX

FORFEIT GAME: The Blue Jays have played one forfeit game, a 9-0 decision vs Baltimore on September 15, 1977...In that game Jim Clancy had held the Orioles to two-hits over five innings before Earl Weaver pulled his club off the field...His reason was that the tarps on the Blue Jays bullpen created a hazard for his players.

BATTING DATA: The 215 HR's hit by the BLUE JAYS in 1987 was a club record and enabled the BLUE JAYS to have the sixth most HR's in the American League history behind the 1961 Yankees (240), 1987 Tigers (225) and 1963 Twins (225), the 1964 Twins (221) and the 1982 Brewers (216)...It also placed eighth overall on the major league list...National League clubs which have eclipsed the 200 HR mark include the 1953 and 1955 Brooklyn Dodgers (208, 201), the 1956 Cincinnati Reds (221), the 1987 Chicago Cubs (209) and San Francisco Giants (205).

AC JOINT - Acromioclavicular joint; joint of the shoulder where acromion process of the scapula and the distal end of the clavicle meet; most shoulder separations occur at this point.

ANTERIOR - In front of; the front surface of.

ANTERIOR CRUCIATE LIGAMENT (ACL) - A primary stabilizing ligament within the center of the knee joint that prevents hyperextension and excessive rotation of the joint. A complete tear of the ACL necessitating reconstruction could require up to 12 months of rehabilitation.

ANTI-INFLAMMATORY - Any agent which prevents inflammation, such as aspirin or ibuprofen.

ARTHROGRAM - X-ray technique for joints using air and/or dye injected into the affected area; useful in diagnosing meniscus tears of the knee and rotator cuff tears of the shoulder.

ARTHROSCOPY - A surgical examination of the internal structures of a joint by means of viewing through an arthroscope. An arthroscopic procedure can be used to remove or repair damaged tissue or as a diagnostic procedure in order to inspect the extent of any damage or confirm a diagnosis.

CARTILAGE - Smooth, slippery substance preventing two ends of bones from rubbing together.

CAT SCAN - Use of a computer to produce a cross-sectional view of the anatomical part being investigated from x-ray data.

CONCUSSION - Jarring injury of the brain resulting in dysfunction. It can be graded as mild, moderate or severe depending on loss of consciousness, amnesia and loss of equilibrium.

CONTUSION - An injury to muscle and tissues cause by a blow from a blunt object.

DISC - A flat, rounded plate between each vertebrae of the spine. The disc consists of a thick fibering which surrounds a soft gel-like interior. It functions as a cushion for the spinal column.

FEMUR - Thigh bone; largest bone in the body.

FIBULA - Smaller of the two bones in the lower leg; runs from the knee to the ankle along the outside of the lower leg.

INFLAMMATION - The body's natural response to injury in which the injury site might display various degrees of pain, swelling, heat, redness and/or loss of function.

LATERAL - To the outside of the body.

MEDIAL - To the inside of the body.

LIGAMENT - Band of fibrous tissue that connects bone to bone, or bone to cartilage and supports and strengthens joints.

MAGNETIC RESONANCE IMAGING (MRI) - Imaging procedure in which a radio frequency pulse causes certain electrical elements of the injured tissue to react to this pulse and through this process a computer display and permanent film establish a visual image. MRI does not require radiation and is very useful in the diagnosis of soft tissue, disc, and meniscus injuries.

MEDIAL COLLATERAL LIGAMENT (MCL) - Ligament of knee along the medial aspect that connects the femur to the joint.

MENISCUS - Crescent shaped cartilage, usually pertaining to the knee joint; also known as "cartilage." There are two menisci in the knee, medial and lateral. These work to absorb weight within the knee and provide stability.

POSTERIOR - At the back part, or rear of the body.

POSTERIOR CRUCIATE LIGAMENT (PCL) - A primary stabilizing ligament of the knee that provides significant stability and prevents displacement of the tibia backward within the knee joint. A complete tear of this ligament necessitating reconstruction could require up to 12 months of rehabilitation.

QUADRICEP MUSCLES "QUADS" - A group of four muscles of the front thigh that run from the hip and form a common tendon at the patella; they are responsible for knee extension.

ROTATOR CUFF - Comprised of four muscles in the shoulder area that can be irritated by overuse. The muscles are the supraspinatus (most commonly injured), infraspinatus, teres minor and subscapularis.

ROTATOR CUFF IMPINGEMENT SYNDROME - A microtrauma or overuse injury caused by stress. The four stages are: 1) tendentious with temporary thickening of the bursa and rotator cuff 2(fiber dissociation in the tendon with permanent thickening of the bursa and scar formation 3) a partial rotator cuff tear of less than 1 cm and 4) a complete tear of 1 cm or more.

SHIN SPLINT - A catch-all syndrome describing pain in the shin that is not a fracture or tumor, and cannot be defined otherwise.

SPRAIN - Injury resulting from the stretch or twist of the joint and causes various degrees of stretch or tear of a ligament or other soft tissue at the joint.

STRAIN - Injury resulting from a pull or torsion to the muscle or tendon that causes various degrees of stretch or tear to the muscle or tendon tissue.

STRESS FRACTURE - A hair-line type of break in a bone caused by overuse.

TENDINITIS - Inflammation of the tendon and/or tendon sheath, caused by chronic overuse or sudden injury.

TENDON - Tissue that connects muscle to bone.

TIBIA - Larger of the two bones of the lower leg and is the weight-bearing bone of the shin.

ULNAR NERVE - Nerve in the elbow commonly irritated from excessive throwing.

ULTRASOUND - An electrical modality that transmits a sound wave through an applicator into the skin to the soft tissue in order to heat the local area for relaxing the injured tissue and/or disperse edema.

NOTE: This list is not meant to be all inclusive, nor should it be used as a substitute for a physician's diagnosis and/or description of an injury or illness.

PLAYER LIMITS: 40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40. The minimum number of active players maintained by each club throughout the championship season shall be 25.

TRADING REGULATIONS: The trading deadline is July 31.

Trades may be made with any other major league club in the period from the end of the championship season through July 31 (midnight) without waivers. Waivers are required, however:

1. If the assignment is to another major league club: From August 1 and ending at 5 pm EDT the day after the end of the season.
2. If assignment is to a minor league club, with right of recall, at any time after 3 years from the date the player first reported to a major league club during a championship season.
3. If assigned to a minor league club without right of recall, after acquiring 3 years service: At any time during the year.
4. If assigned to a minor league club, without right of recall, at any time prior to acquiring three years of service, special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn. If no claims are made, club has 7-day period in which to make assignment to minor leagues.

WAIVERS: The 1985 collective bargaining agreement brought about changes in the waivers process. Following is information on the new waiver agreements.

SUBSTANTIVE

- The "trading deadline" is now July 31. Waivers are required for any inter- or intra-Major League assignment during the period beginning August 1 and ending at 5 pm ET the day after the end of the season. During the other ten months of the year no waivers are needed.
- It will be easier to compute which players need waivers before they may be optioned: if three years (less one for each previously spent on option) have elapsed since the player actually reported to the Major Leagues for the first time, waivers are required. The date of actual physical reporting will be used as the benchmark instead of the date the player was first placed on a club's 40-man roster.
- The procedure for outright assignments to the National Association remains unchanged from the 31st day of each season until August 31; during this period, ordinary waivers are required. However, from September 1 until the 30th day of the following season, special waivers are required.
- The club must tender a special waiver request specifying that waivers are requested for the purpose of outright assignment to the National Association. The claiming period, as with other waivers, is three business days, and an assignment pursuant to special waivers must be completed by 2 pm ET the seventh day after the waivers were secured.
- Seventy-two-hour waivers, secured on players recalled not to report, continue unaffected except insofar as they no longer suffice for an outright assignment to the National Association during those times in the year when special waivers are required.

PROCEDURAL

- Waiver requests deadline is now 2:00 pm Eastern Time.
- Claiming period is now three business days for all waiver requests, including "special waivers" and waivers for the purpose of unconditional release.
- AL Only and NL Only waivers have been abolished.
- In the event of claims, withdrawals period is two business days.
- A club may withdraw once per waiver period on any one player.
- New waiver periods:
  November 11-30th day of season
  31st day of season-July 31
  August 1-November 10
- "Special waivers" and waivers for the purpose of unconditional release may both be requested during the closed period, October 10-November 10.
- Waiver price for selected and draft-excluded players is now $25,000, and may be set by agreement ($20,000 minimum) in all other waiver assignments. Rules on priority of claim are unchanged.
- Closed period on selected and draft-excluded players now runs from October 10 through the 25th day before Opening Day, and no assignments may be made pursuant to such waivers until 15 days before Opening Day. "Dates to Remember", from the league offices, will specify the correct dates each year.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:

Six years of Major League Service continues to be required to be eligible for free agency.

The Re-Entry Draft has been abolished.

A player has 15 days from the first day following the World Series to file for free agency.

By December 7, former club must offer to arbitrate or becomes ineligible to sign player. By December 19, player must accept offer or on January 9 former club becomes ineligible to sign the player. (Ineligible club regains eligibility the following May 1.)

If club and player proceed to arbitration, maximum salary cut rules do not apply.

Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

SALARY ARBITRATION:

Beginning in 1987, three years Major League Service required for eligibility.

Beginning in 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%.

Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating.

FREE AGENT DRAFT RULE (AMATEUR DRAFT) - REVISED FOR 1987: One selection meeting shall be conducted each year in June to be known at the "Summer Meeting".

Major League Clubs shall select in reverse order of their league standing at the close of the preceeding season (determined by the percentage of games it won). No club may transfer to another club its right to select.

A selected player shall be placed on a club's Negotiation List and shall remain, thereon until the start of the Closed Period (The seven days preceding the Summer Meeting) of the next selection

meeting, unless at an earlier date he (1) signs a contract (2) is removed because he was not eligible for selection (3) becomes a College Player by entering or returning to college.
A club may not transfer its Negotiation Right to any other club.
REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.
TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.
SUSPENDED GAME RULE:
Rule 4.12 SUSPENDED GAMES
(a) A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:
(1) A curfew imposed by law;
(2) A time limit permissible under league rules;
(3) Light failure or malfunction of a mechanical field device under control of the home club. (Mechanical field device shall include automatic tarpaulin or water removal equipment.);
(4) Darkness because of any law, the lights may not be turned on.
(a) (5) Weather, if the game is called while an inning is in progress and before it is completed, and one of the following situations prevails:
(5) (i) The visiting team has scored one or more runs to tie the score, and the home team has not scored.
(ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.
(b) Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.
(c) By amending NOTE to read as follows:
NOTE: Weather and similar conditions—4.12(a) (1 through 5)—shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tie game and must be replayed in its entirety.
(d) A suspended game shall be resumed and completed as follows:
(1) Immediately preceding the next scheduled single game between the two clubs on the same grounds;
or
(2) Immediately preceding the next scheduled double-header between the two clubs on the same grounds, if no single game remains on the schedule, or
(3) If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible;
(i) Immediately preceding the next scheduled single game, or
(ii) Immediately preceding the next scheduled double-header, if no single game remains on the schedule.
(4) If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.
(e) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.
4.11(d)
A called game ends at the moment the umpire terminates play. **EXCEPTION:** If the game is called while an inning is in progress and before it is completed, the game becomes a SUSPENDED game in each of the following situations:
(1) The visiting team has scored one or more runs to tie the score and the home team has not scored.
(2) The visiting team has scored one or more runs to take the lead and the home team has not tied the score or retaken the lead.
DISABLED LISTS: REGULAR DISABLED LIST: The 21 and 30 day disabled lists were eliminated in August 1990. The 15 day list may be used for as many players as needed
EMERGENCY DISABLED LIST: Maximum number of players on list at one time-no limit. Minimum period of inactivity-sixty (60) calendar days. Players placed on this list after August 1st shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.
AMERICAN LEAGUE CURFEWS: No inning of an American league night game can start after 1:00 a.m., local time. Any inning started prior to 1:00 a.m. can be completed. Curfews shall be waived for the final series of the season between two teams in each of the cities.
Any game, regardless of length, called because of the time curfew, becomes a suspended game and must be completed from the exact point of interruption before the teams play their next scheduled game against each other.
DEFINITION OF NIGHT GAME: Any game scheduled to start after 6:00 p.m. (i.e. 6:01 p.m., or later), will be considered a night game. If a game is scheduled to start at 6:00 p.m., and is delayed by rain or for any other reason, it will be considered a day game.
However, both games of a twi-night doubleheader shall be considered night games. When afternoon and night games are played on the same date and separate admissions are charged, they will be counted as one day and one night game, and will not be included in doubleheader statistics.

BATTING CHAMPIONSHIP QUALIFICATIONS: A batting champion must have 502 or more actual plate appearances. (The equivalent of 3.1 appearances for each of the 162 scheduled games.). If, however, there is any player with fewer than the required number of plate appearances whose average would be the highest if he were charged with the required number of official at bats, then the player shall be awarded the batting championship.

EARNED-RUN AVERAGE CHAMPION QUALIFICATIONS: To win the earned-run average championship a pitcher must pitch at least as many innings as the number of games scheduled for each club in his league that season and have the lowest earned-run average.

FIELDING CHAMPIONSHIP QUALIFICATIONS: The individual fielding champions shall be the fielders with the highest fielding average at each position, provided:

(1) A catcher must have participated as a catcher in at least one-half the number of games scheduled for each club in his league that season;

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season;

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. **EXCEPTION:** If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

DETERMINING THE MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DETERMINING BATTING AVERAGE: Divide the number of at bats into the number of hits.

DETERMINING AN EARNED-RUN AVERAGE: Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched.

DETERMINING SLUGGING PERCENTAGE: Divide the total bases of all safe hits by the total times at bat. (At bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction.)

DETERMINING ON BASE PERCENTAGE: Add the total of hits, walks and hit by pitches and divide by the total of at-bats, walks, hit by pitches and sacrifice flies.

DETERMINING FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

DETERMINING PERCENTAGE OF GAMES WON AND LOST: Divide the number of games won by the total games won and lost.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

SUSPENDED GAMES: For the purpose of this rule, all performances in the completion of a suspended game shall be considered as occurring on the original date of the game.

"SAVE" RULE: A pitcher shall be credited with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club, and

(2) He is not the winning pitcher, and

(3) He qualifies under one of the following conditions:

(3) (a) He enters the game with a lead of no more than three runs and pitches for at least one inning, or

(b) He enters the game regardless of the count, with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces), or

(c) He pitches effectively for at least three innings.

DESIGNATED HITTER RULE: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

The designated hitter is eligible for all American League batting titles.

The designated hitter named in the starting lineup must come to bat at least one time, unless the opposition changes pitchers.

SCORING RULE ON PINCH-HITTERS: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared he will not be considered a pinch hitter during that second time up.

A substitute hitter for a Designated Hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a Designated Hitter only.

EARNED-RUNS RULE: The determination of earned-run is as follows:

'An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls; and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.'

Until 1969, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs scored by batters who reach base off the reliefer are charged as earned

on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DOCTORED BAT: A batter is out for illegal action when he uses or attempts to use a bat that, in the umpire's judgment, has been altered or tampered with in such a way to improve the distance factor or cause an unusual reaction on the baseball. This includes bats that are filled, flat-surfaced, nailed, hollowed, grooved or covered with a substance such as paraffin, wax, etc. No advancement on the bases will be allowed and any out or outs made during a play shall stand. In addition to being called out, the player shall be ejected from the game and may be subject to additional penalties as determined by his League President. (Rule 6.06d).

DETERMINING A "MAJOR LEAGUE YEAR": 172 days constitute a full year in the major leagues.

MAJOR LEAGUE SERVICE:

is credited for each day the player appears on an active roster or major league disabled list or suspended list.

in the case of a player called up from the minor leagues, is credited beginning with the date he physically reports.

In the case of a major league player who is traded and reports in the normal course, service is not interrupted.

in the case of a player sent down to the minor leagues, is credited through the date of the assignment.

in the case of a player who is unconditionally released, is credited through the date waivers were requested.

in the case of a player designated for release or assignment (MLR 2), is credited after the designation, through the date of the actual assignment or the request for unconditional release waivers.

for a player who appears on his club's opening day roster, is credited as of the earliest scheduled opener, without regard to the actual opening date of his own club.

is credited at the rate of 172 days per "year", though the season is actually 182 days long.

is not credited during any period or periods of optional assignment totalling 20 days or more during a single season.

ROOKIE QUALIFICATION: A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of a 25-man limit (excluding time in military service) and time on the disabled list.

GAME WINNING RBI: The RBI that gives the club the lead it never relinquishes. (Note: There does not have to be a game-winning RBI in every game and all game-winning RBIs must conform to RULE 10.04).

PLAYING RULES:

Spectator Interference—batter, runner and other runner(s) will be placed at the base(s) which the umpires feel they would have reached with no interference.

Time—ball is dead, play suspended. This sign used when ball is foul, umpire then pointing to foul territory.

Batted Balls Fair or Foul—if fair, umpire points to fair territory—if foul he raises arms overhead (as in "Time" above) and then turns and points to foul territory, and vocally calls "foul".

SCHEDULE: The AL schedule uses a balanced format in which each club plays twelve games against all 13 opponents, for a total of 156 games. This includes six home contests and six away against each opponent.

However, in order to reach the seasonal total of 162 games, it is necessary to add six games to the above 156 total. This is accomplished by having each club play six additional games within its division—three home and three away, one with each club in its division.

MINIMUM SALARY: The minimum rate of payment to a player for each day of service on a Major League Club for the 1992 season is $109,000 U.S. Funds.

TERMINATION PAY: One full season's pay if player released opening day or later. Thirty days pay for player who is released on the 16th day before opening day or earlier. If players is released after that 16th day prior to opening day he receives one additional day's pay (over the 30 days) for each additional day.

The largest spring exhibition crowd at Dunedin Stadium was 6,218 on Tuesday, March 27, 1990 for the game between the Blue Jays and Kansas City Royals and Wednesday, March 13, 1985 for a game with the New York Mets.
The first Blue Jays game ever played was on March 11, 1977 at Grant Field. The Blue Jays defeated the New York Mets 3-1.

GRANT FIELD EXPANSION

The Blue Jays play their spring exhibition games at the newly expanded and modernized DUNEDIN STADIUM at GRANT FIELD.

Since 1977 the Blue Jays played at Grant Field with a seating capacity of 3,417.

The City of Dunedin, at a cost of approximately $2.4 million provided a new stadium in 1990 to be called Dunedin Stadium at the same location as Grant Field, at the corner of Douglas Avenue and Beltrees Street.

The new stadium was designed by the architect firm of JOHNSTON DANA ASSOCIATES and was built by CASE CONTRACTING Company of Plant City, Florida.

The old structure came down in the first weeks of September 1989.

Some of the features of Dunedin Stadium:

—a symmetrical 'U'-shaped structure with four entrance ramps
—total capacity is 6,218
—seats are arm chairs (4480) with top eight rows under cover
—bleacher seats (1698) are located along first base/left field lines
—grade level area for wheelchairs (20 plus 20 for attendants)
—upgrade in lighting standards adequate for AA and AAA
—two new concession stands
—new public restroom facilities
—first-aid room
—security office
—ticket windows
—TV/photographer pits
—press box provides two radio booths, one television booth plus seating for 25 members of print and electronic media
—media workroom and lounge for hospitality
—umpires room

The actual playing field remained the same as did Blue Jays and visitors clubhouses.

As well as the Toronto Blue Jays, the Dunedin Blue Jays of the Class A Florida State League play at Dunedin Stadium.

The Toronto Blue Jays have committed to the City of Dunedin to continue to play spring exhibition games at Dunedin Stadium through 1999.
